## Description

You can enjoy three days with the Tagus River at your feet, to visit all corners of Lisbon with total freedom. Get on any of our sightseeing buses or boats and explore freely in Lisbon and Cascais. But here's a suggestion to set the route for your visit: start in Lisbon's historic downtown area and the St. George Castle, moving on to the most modern part of the city, Oriente, the stage of the world-famous Expo'98 exhibition; then on to the neighbourhood of Belém to see and visit the monuments honouring the Discoveries. End with a stunning seaview in the village of Cascais. Let's do this!

On game days, we will not be stopping or passing through Estádio da Luz and Colombo Shopping Centre.
